

PROGRAM-PARTICIPANT AGREEMENT FORM

Please provide the information below in order to begin the process of becoming an active participant of the Sustain Shawnee program provided through the partnership of the Shawnee Chamber of Commerce and Deffenbaugh Industries. One of the benefits of this program is, as a Chamber member, your business will experience the opportunity of commercially recycling at a discounted, monthly rate\*. This rate is **per recycle bin** and includes pickup by Deffenbaugh Industries. **Please understand if your business is not confirmed as an active, Chamber member, it will not qualify for this discounted, monthly-rate benefit.** Shall you need assistance pertaining to the program, please contact either the Chamber office at 913 | 631 | 6545 or Jami Campbell, Deffenbaugh Industries, at 913 | 745 | 1591. Thank you for taking the green initiative by reducing, reusing and recycling to keep the environment, as well as our community, clean.

Currently, is your business' trash service provided by Deffenbaugh Industries? Yes No

If you answered no, who is your current provider? \_\_\_\_\_

What is your current **billing address**?

What county is your business in? \_\_\_\_\_

Please check the following bin(s) you would like at your business location:

- Co-mingle bin for \$32.00\* a month, including bi-weekly pickup.
- Cardboard-only bin for \$40.00\* a month, including weekly pickup.

Preferably, where would your business like the recycle bin to be placed on its property?

Please note the space requires Deffenbaugh Industries to have *at least* a 40-foot, straight-on approach to the bin and a 24-foot clearance above the bin – no wires, trees etc. One bin requires an entire parking space; approximately 6.5 ft. x 6.5 ft. in size.

What is the preferred delivery date and time of the recycle bin to your business location?

\_\_\_\_\_

By signing below, you are verifying you agree to and understand your business is only eligible for the discounted, monthly rate to recycle as an active, Chamber member and the provided information above is valid. In addition, you understand if an adequate amount of material is not collected—the bin is basically empty for every pickup—Deffenbaugh Industries will have no other choice but to remove the bin and cancel your business' recycling service.
