

One hundred acres of the Earth's rainforests are being cut down every minute. There is no better time than now to make a difference.

Be a **green**, Chamber member.

Sustain Shawnee involves a co-mingle approach to recycling. The sorting of recyclables is not necessary.

Co-mingle containers are eight (8) cubic yards and emptied on a bi-weekly basis or as necessary.

Cardboard-only containers are also available at a discounted, monthly rate. Mirroring the co-mingle containers in size, they can be emptied up to five times per week.

FACT | Annually, Americans waste enough office and writing paper to build a wall twelve—yes, 12—feet high, stretching from Los Angeles to New York.

It is time to reduce, reuse and recycle.

The Shawnee Chamber of Commerce and Chamber member Deffenbaugh Industries are in partnership to encourage Chamber members' recycling efforts.

Sustain Shawnee is a program providing the opportunity to Chamber members to commercially recycle, saving a little green along the way.

An active, Chamber member can commercially recycle at a discounted, monthly rate.

Please contact the Chamber for more information and to go green today.

Keep the community clean.
Participate today for a greener tomorrow.

For a program-participant form and more details, please visit www.ShawneeKSChamber.com/SustainShawnee
