Testimonial

"Brent Randall is not only a master plumber, he is a man of integrity and professionalism. He re-plumbed our entire house in 2003, a job which took many hours. He always called me in the morning to let me know when he would be arriving, and was respectful of my children's nap times. Since then, he has done

Film Transfer and Video Memories Protection

How much video will be on my DVD?

We limit one hour of video to a DVD. This represents about 16 3" reels or 800 feet of film. We could squeeze more on

What's the most sentimental gift you can give your family? Let your loved ones cherish your life's history in video format. Whether it's your films or video tapes of your family's history, let them remember the wonderful memories you've recorded over the years. At the same time have your keepsake images preserved for years to come. With our professional film and video transfer processes, we can easily and safely convert your old 8mm film, Super 8mm film, 16mm film.
