Chamber Hosts Ribbon Cutting for Shawnee Office Suites

Shawnee, KS----- A ribbon cutting celebration for Shawnee Office Suites, located in Shawnee Crossings at 6840 Silverheel Street, was held Tuesday, September 4, 2007 at 4:00 p.m. Several city officials and Shawnee Chamber members were on hand to officially welcome the new business to the community.

Shawnee Office Suites is a new family-owned and managed business. The building in Shawnee Crossings provides office space for short to long term license rental in western Shawnee. The concept allows a small business owner to come into a turn-key business environment and avoid the long term lease and individual deposits normally associated with traditional lease space.
